

785nm Narrow Linewidth Laser Diode System

- Integrated 785nm Laser Diode+Power Supply
- Wavelength Stability: $\pm 0.005\text{nm}$ (8 Hours)
- Adjustable Optical Output Power (CW): 0 - 500mW
- Power Stability: $\pm 1.0\%$ (8 Hours)
- Volume Bragg Grating Stabilized
- Modulation Input: 1kHz TTL or Analog signal 0-5V

DATA SHEET

LDX-785nm-500mW Product Overview

The 785nm laser system includes an integrated VBG stabilized 785nm laser diode source, laser diode driver, TEC controller and heatsink. The turnkey system allows the user to quickly setup and begin operating the 500mW laser diode. Careful attention to the design provides the user with high stability control and narrow laser linewidth. The laser output is adjustable from 0 to 500mW by adjusting the current with the adjustment knob. For laser safety the system also features an emergency stop button, enable/disable key switch and safety interlock.

OUTPUT POWER STABILITY OF ±1.0% OVER 8 HOURS

NARROW LINEWIDTH OF <0.1nm WITH WAVELENGTH STABILITY OF ±5pm OVER 8 HOURS

LDX-785nm-500mW SPECIFICATIONS

OPTICAL SPECIFICATIONS

Center Wavelength:	785nm (± 0.5 nm)
Output Power:	500mW (Adjustable)
Linewidth:	<0.1nm
SMSR:	40dB
Fiber Output Connector:	FC/PC or SM905
Fiber Core Diameter:	105 μ m
Numerical Aperture:	0.22 NA

PRIMARY APPLICATIONS

Raman Spectroscopy
Fluorescence Spectroscopy
Holographic
Analytical Instruments

GENERAL

Remote Interface:	USB, BNC
Dimensions (LxWxH in mm):	105 x 102 x 200
Weight:	2.2kg
Supply Voltage:	100-240 VAC , 50/60Hz

DATA SHEET

Product Warranty:

In addition to the standard full one year warranty, this product is offered with an additional 3 months of extended warranty for a total of 15 months of warranty coverage. The warranty includes all parts and labor. The warranty does not include customer induced product damage.

Our Customer Commitment:

You Get Direct, Fast Tech-Support from a Product ENGINEER ... Not a Sales Person

You get DIRECT access to the correct factory engineer for your product. We eliminate the sales person "middle-man" back and forth time delays resolving technical issues. No more "Contact Us" forms. Every product has an assigned engineer in our auto-messaging data base to give you direct, immediate access to the correct tech-support info.

You Get an Extended Warranty

All products from Laser Lab Source come with a 12 month factory warranty. Additionally, we offer and extra 3 months of warranty on top of the standard warranty. *Warranty does not include customer induced product damage.*

You Get the Lowest Factory-Direct Prices Worldwide

All of our 3rd party global suppliers set & quote their own direct pricing. There are NO Mark-Up's. You get their lowest direct price.
